

Tuesday, Aug. 27

12:00 p.m. – 1:00 p.m. AAPAN and Southeast Regional Chapter Board of Directors Luncheon

1:30 p.m. – 2:00 p.m. Welcome and Opening Remarks

2:00 p.m. – 3:30 p.m. Regional and State Legislative Roundtable
Select state representatives will discuss the most significant legislative activities and trends impacting healthcare in their states. Potential topics for discussion:

- Opioids
- Transparency
- Telemedicine
- PBM pricing and specialty drug costs
- Local/Narrow Networks and direct contracting
- Certificate of Need
- Association Health Plans/MEWAs

Speaker(s): Regional and State Legislators and Regulators

3:30 p.m. – 3:45 p.m. Break

3:45 p.m. – 5:15 p.m. Opioid Epidemic Roundtable
Programs across Centers for Disease Control (CDC) are working to prevent opioid overdoses and other opioid-related harms, including opioid use disorder, hepatitis and HIV infections, and neonatal abstinence syndrome. CDC is committed to preventing opioid misuse, overdose, and deaths. Supporting providers, health systems and payers is one of CDC's five key strategies guiding its work to help protect all Americans. This roundtable will be an opportunity for attendees to engage in meaningful dialogue about maximizing this strategy.

Speaker(s): Opioid Epidemic Experts From Academia/Federal Government

5:30 p.m. – 6:30 p.m. Reception

Wednesday, Aug. 28

8:00 a.m. – 8:30 a.m.

Breakfast

8:30 a.m. – 9:15 a.m.

Session: Telemedicine/Telehealth: The Growing Impact

The Centers for Medicare and Medicaid Services recently finalized its 2019 Physician Fee Schedule, which contained significant changes for Medicare. What does this bode for the commercial health and workers' compensation arenas? This session will examine telemedicine's impact today and anticipated role in the near future.

Speaker(s): TBD

9:15 a.m. – 10:30 a.m.

Session: Control the Cost. Control the Disruption.

The move from fee-for-service to value-based payments is moving faster than ever before. This session will look at network utilization, innovative contracting, bundled payments and more.

Speaker(s): TBD

10:30 a.m. – 10:45 a.m.

Break

10:45 a.m. – 12:00 p.m.

Session: Data Analytics and the Mobile Health Culture

Providers and payers are leveraging Big Data and clinical evidence to segment patient populations and better manage health. Patients are increasingly demanding mobile health solutions to manage their care. Are data and technology solutions actually transforming healthcare, delivering improved treatment outcomes and driving down costs? This session takes a look.

Speaker(s): TBD

12:00 p.m.
