WHAT

AAPAN Southeast Regional Chapter Insights Summit

WHEN

Aug. 27–28, 2019

WHO SHOULD ATTEND

Attendance is open to all AAPAN Board Members and association membership, and C-Suite leaders from commercial health and workers' compensation payers, networks, TPAs and care management organizations based in or with significant markets in the Southeast United States (AL, AR, FL, GA, LA, MS, NC, SC and TN).

WHY

AAPAN is the unified voice for our commercial health and workers' compensation members, respected for its federal and state advocacy. The association is building on more than 30 years of successful advocacy efforts by expanding its reach through regionalization. Regionalization translates to stronger representation for organizations that cannot fully benefit from national AAPAN membership.

The chapter's annual Insights Summit is the opportunity for membership to interact face-to-face with respected regional thought leaders and state policymakers. Two-way education and understanding are the beneficial result.
